

Project

Glaxo Smith Kline Security Desk

Moon Township, PA

Attention to detail was a requirement to produce this cherry, stainless steel, and marble security desk. This desk can accommodate up to four security guards at a time, and provides an impressive entry condition in addition to functioning as a secure entry point.

Team

Architect: Burt Hill Kosar Rittelmann Associates - Pittsburgh, PA

Craftsmanship

With four workstations, complete with recessed flat-screen monitors, this impressive security desk is the first thing visitors encounter upon entering the building

Customer Satisfaction

“Giffin has produced many smaller items for Glaxo Smith Kline, but, by far, the security desk offered many challenges which Giffin handled without fail.”

- Tim Holt, Glaxo Smith Kline
