

Project

Klett, Rooney, Lieber, & Schorling Pittsburgh, PA

By using Giffin as the general contractor, the law firm of Klett, Rooney, Lieber, & Schorling was able to expand their office space without disrupting day-to-day operations, while at the same time matching finishes and details throughout.

Team

Architect: WTW Architects - Pittsburgh, PA
 General Contractor: Giffin Interior & Fixture - Bridgeville, PA

Craftsmanship

Red oak and mahogany desk, complete with marble top and base, accentuates the reception area.

Custom doors and sidelights were manufactured to match the existing entryways so that unity between new and existing fixtures could be maintained

The centerpiece of the project: a chrome and red oak spiral staircase that allows the three floors to be accessed without using the public elevators
