

Project

Nemacolin Woodlands Chateau LaFayette Farmington, PA

As one of North America's premier resorts, Nemacolin Woodlands Chateau LaFayette stands apart from the crowd with exquisite custom fixtures and highly detailed craftsmanship that make visiting Chateau LaFayette a pleasant and memorable experience.

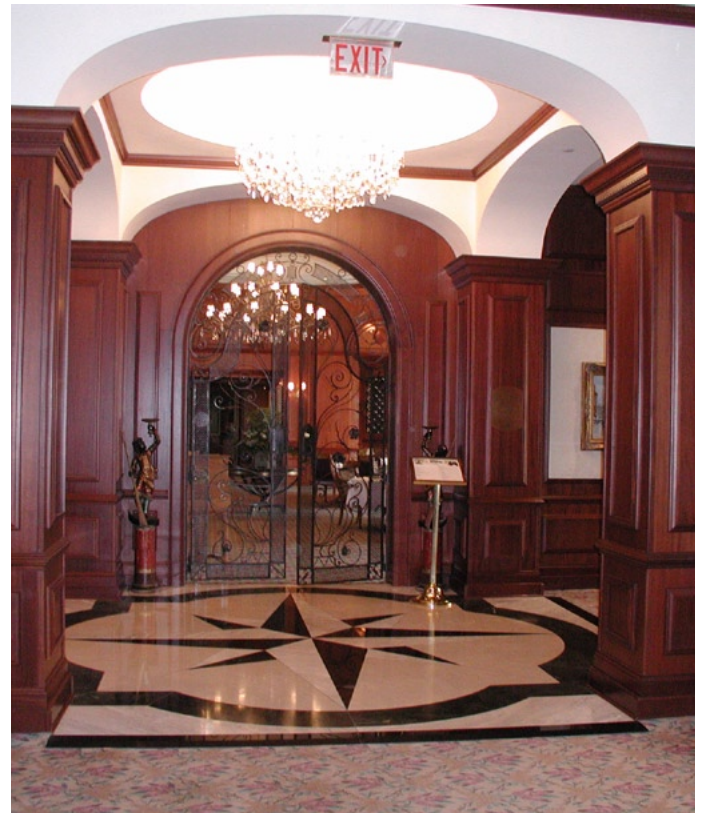

Team

Architect: Hughes Design - Mclean, VA

Craftsmanship

French Bistro: bar units, four wine units with built-in seating, and fourty-foot diameter segmented soffit.

Well over 2 miles of running trim create an inviting atmosphere in one of North America's premier resorts.

Cigar Bar: custom cigar lockers, fire place mantel, and humidor units for cigar display and sale.

Hospitality

Customer Satisfaction

"The attention to detail shown by Giffin and its employees both in the shop and in the field is what makes a project of this size, quality, and complexity successful... Giffin has continually met or exceeded our expectations where it counts, on the job."

- Pamela Hughes, Hughes Design
