

## Project

### PNC Firstside Center Pittsburgh, PA

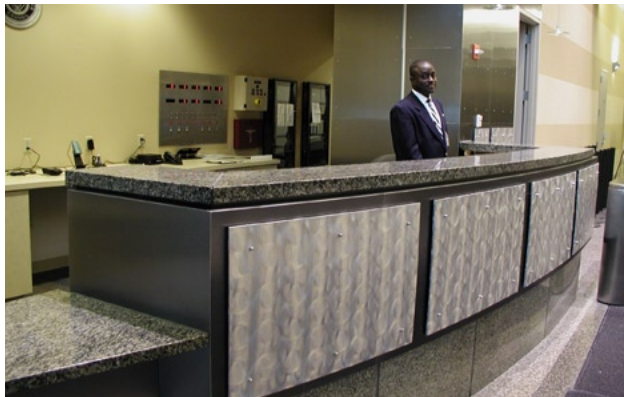

The PNC Firstside Center project was a unique blend of high-end desks and trims to heavy-duty functional casework. This project truly covered the total millwork spectrum.

## Team

Architect: L.D. Astorino - Pittsburgh, PA  
 Contractor: Dick Corporation - Pittsburgh, PA

## Craftsmanship

The entry desk incorporates the industrial look with the use of stainless steel & granite

Maple wall cap with a touch of stainless steel reveal highlight the grand stair

Solid maple hand rail caps accent the open floor design
