

Project

Philip Pelusi Phyto-Life Salon Robinson Township, PA - The Mall at Robinson

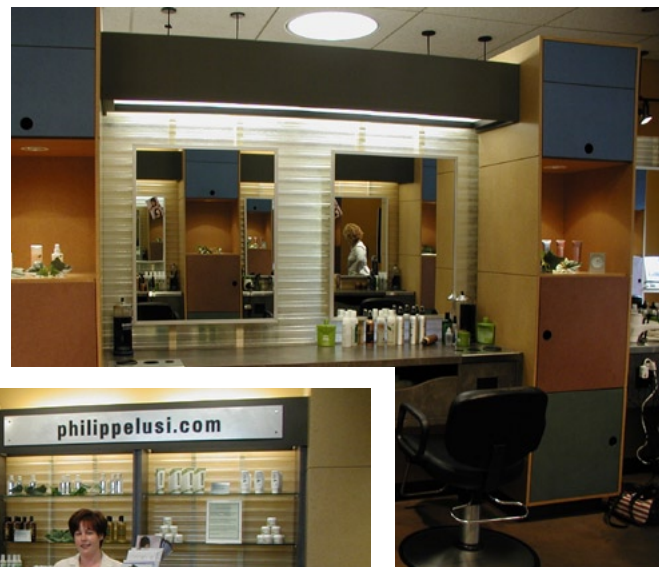

By utilizing and combining many different materials and techniques, Giffin's craftsmen were able to showcase their expertise and careful attention to detail to create unique fixtures that allow stylists to sell products while providing services. Pelusi's choice of Giffin Interior & Fixture for this salon demonstrates the high quality work and customer satisfaction that Giffin is known for.

Team

Architect: Morosco & Associates
 General Contractor: Carpenter Construction

Craftsmanship

Retail

The fifteen foot long cash wrap has space for three cashiers, while also serving as a product display case.

The use of laminates, wood, metal, glass, and fiberglass enhances the beauty of the space while maintaining functionality.

Customer Satisfaction

"This highly challenging design was detailed, fabricated, and installed professionally and competently by Giffin's craftsmen. Another great job by Giffin."

- David Lettrich, Carpenter Construction
